

Welcome To Our Zero-sort® Recycling Collection Service!

We appreciate the opportunity to provide curbside Zero-Sort® Recycling service to the town of Dayton, ME.

With Zero-Sort® Recycling, we're making it easier for you to recycle. All paper, cardboard, plastic, glass, metal, and more can be tossed into one bin without the need to separate.

Please refer to the guide on the other side for a detailed list of materials you can recycle. Here's some important details regarding your new trash and recycling service:

- » Your recycling collection day will be every **MONDAY**, collected each week.
- » The containers must be placed out no later than **7:00 am MONDAY**.
- » Containers should be marked **RECYCLING**. Stickers are available at the Town Office.
- » You must provide and use any container **32 GALLONS OR SMALLER**.

See the diagram below for approximate measurements. There is no limit to the number of containers.

- » We can also provide a 64 gal. wheeled cart for a minimal monthly rental.

Call us at
207-883-9777
to order your
cart today!

Frequently Asked Recycling Questions

What is Zero-Sort® Recycling?

Zero-Sort Recycling is Casella's state-of-the-art process which enables a paper, cardboard, plastic, glass, metal, and more to be collected together in one bin without the need to separate.

How should I prepare my recyclables?

Recyclables should be rinsed clean of any food waste. Corrugated cardboard boxes should be broken down into smaller pieces. Lids and caps can remain on empty bottles. There is no need to tie newspaper or cardboard with twine.

What type of metal can I recycle?

Aluminum and tin cans are acceptable. Pots, pans, and scrap metal such as automotive parts, motors, and appliances are **NOT ALLOWED**.

I saw someone throw all of my recycling in the back of a truck without separating it.

Was the recycling treated as waste?

No. We have numerous Zero-Sort operations that will separate the recycling in a state-of-the-art facility. The truck will deliver the recyclables to one of these facilities. Once separated, they are sold and recycled.

What are large rigid plastics?

Items made of plastic which include 5-gallon buckets, sleds, soda crates, laundry baskets, plastic chairs, carts, and garbage cans.

Can I put my recyclables in clear plastic bags?

No. Plastic bags are not accepted in the Zero-Sort Recycling program. Many grocery and retail stores offer plastic bag recycling.

TOWN OF DAYTON, MAINE

CURBSIDE ZERO-SORT® RECYCLING COLLECTION

This reference guide provides detailed information on your town's curbside recycling collection.

ZERO-SORT: HOW RECYCLING GETS DONE

No sorting on your end makes recycling quick and easy! Just focus on tossing all recyclables into one bin and Casella takes care of the rest. Please **empty** and **rinse** all containers as well as **flatten** and **break down** cardboard boxes.
